Genesis 1:28-31; 2:1-3

²⁸God blessed them, and God said to them, "Be fruitful and multiply, and fill the earth and subdue it; and have dominion over the fish of the sea and over the birds of the air and over every living thing that moves upon the earth." ²⁹God said, "See, I have given you every plant yielding seed that is upon the face of all the earth, and every tree with seed in its fruit; you shall have them for food. ³⁰And to every beast of the earth, and to every bird of the air, and to everything that creeps on the earth, everything that has the breath of life, I have given every green plant for food." And it was so. ³¹God saw everything that he had made, and indeed, it was very good. And there was evening and there was morning, the sixth day.

¹Thus the heavens and the earth were finished, and all their multitude. ²And on the seventh day God finished the work that he had done, and he rested on the seventh day from all the work that he had done. ³So God blessed the seventh day and hallowed it, because on it God rested from all the work that he had done in creation.

Greetings!!

As I write this, it is a beautiful day outside! Except it is windy. It is always windy around here. With summer weather well into swing, I am excited to get outside and enjoy creation. With Covid restrictions starting to come to an end, many of us are even more excited to get out and enjoy our favorite activities and get together with family and friends!

God has given us the gift of life. Through God's love and grace, we are then free us to live life to the fullest. We are free to live with joy and passion. We are free to bring meaning to life!

Above is one of my favorite readings! It always reminds me of the blessings that we have in creation, and God's care for humanity! And not just the blessings of creation, but the blessings of the life we have been given. It is an incredible relationship between God and humanity! The creation story is always so great to read and reflect on. God's gift to us is in creation. Creation has been given to humanity to joyously take delight in it.

Of course, as a gift, we are also called to care and to be good stewards of it. Not only is it an invitation to enjoy creation, but also to be responsible for creation. To be good stewards of creation! Enjoy creation with respect and care!

So, this summer, I invite you to enjoy creation! Get outside and enjoy the God's gift!

Have a happy summer y'all!!!

Pr. Jeremy

The school year is just about over!! We finished out our curriculum by reviewing all of the colors of the rainbow and making a rainbow necklace, and learning to count up to 19 and 20. Our letters were X- made a xylophone and x rays, Y-yak puppet and yarn craft, Z-zoo and zebra. Shape that we learned was a star. It was named Scarlett and our friend Scarlett was excited about that! Opposites were sunny and cloudy and we have loved seeing more sun than clouds this month. Since we have talked about the life cycle of butterflies, we have collected a few caterpillars. Unfortunately, none of them have lasted too long. Netherlands was the "around the globe" country. We made Mother's Day crafts. Our theme was "hugs and kisses" and put pictures of each kid on a Mason jar filled with chocolate kisses and made personalized hand cards that looked like they were reaching for a hug. They turned out great! We celebrated a birthday and National Provider Appreciation Day. We received flowers from many parents and the daycare committee It was very thoughtful. We are very blessed with our families!

Dairy Days Bingo

The Little Cedar and Marshall Middle School and High School Youth will be hosting Bingo on Sunday, June 13th at the Adams Legion from 2PM to 6PM.

Come and support our youth and have some fun too.

Join us at Little Cedar July 19th through 22nd from 9am to 3pm for our Knights of North Castle VBS.

Your students will enjoy an interactive, energizing, Bible-based good time as they go on a quest in search of the King's Armor. They will become Knights and discover how to serve God and God's mission for their lives. After a high-energy opening assembly time, the Knights make their way to the Bible Story Station. Interactive Bible lessons reveal Castle Callouts to equip your Knights for an active life with God. Your Knights will discover a Banner Verse (Bible memory verse) that will remain with them in their faith long after VBS. The students will expand on what they have discovered by participating in a variety of activities: making their own art projects at the Craft Station, singing new songs at the Music Station, exploring wonders at the Science Station, playing games at the Recreation Station, and enjoying tasty treats at the Snack Station.

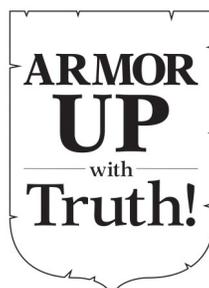

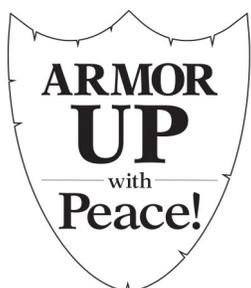

To register for Knights of North Castle, visit our website: <https://2020.cokesburyvbs.com/littlecedarvbs/>

The student must be 5 prior to VBS through completed 5th grade. Registration closes on June 21st but to be guaranteed a t-shirt, register by June 10th.

We can always use help so feel free to register to volunteer as well at the same link above!

Sincerely

Your Knights of North Castle Team!

Congratulations to our 2021 Graduating Seniors

Avery Gena Medgaarden is attending Minnesota State University – Mankato this fall; majoring in Dental Hygiene. Her favorite high school memories are hanging out with friends and going to basketball games. Her favorite church memory was going to Houston, Texas for the ELCA Youth Gathering in 2018.

Lydia Lynn Wik currently plans on attending Southern New Hampshire University online and majoring in Developmental Psychology with an Emphasis on Child Development. Her future plans are to raise a family so she is considering things that she feels will benefit her as she embarks on the path towards motherhood. Her favorite high school memory was on an early morning before school. “I had just hidden a wrapped piano and drawing book in a friend’s locker. There was no label on it, the Art and Theatre Club was doing a take on Secret Santa where each member got assigned a few people that could use a pick-me-up during the holidays and then they would hide a gift in their locker. I’m sitting in the hallway nearby and the girl comes up to her locker. As she opens it, she spots the present, and her face lights up. Grabbing it she tears off the paper and gets a big smile looking at the gift. She looks at me and says, “Did you see who put this in here?” “No, I did not,” I reply. She then asks me to help her investigate who put it in there. We spend time thinking about who it could possibly be until she leaves for class. Another member of the club is also in the hallway, she looks at me and mouths, “Was it you?” I nod my head and the laughter could probably be heard in every classroom. The girl and “I” never did discover who put those piano and drawing books in her locker, but she loved using them!” Her favorite church memory is from a Confirmation lock-in when everyone was getting tired and went into the kitchen at around 4 AM to play Never Have I Ever. “I think some of us may have even fallen asleep in there.”

Kelsey Ann Mensink is attending Minnesota State University – Mankato this fall but is undecided at the moment on her future plans! Her favorite high school memories are going to football games, student sections, sports, and being with friends. Her favorite church memories are the Confirmation lock-ins and the trip to Houston for the ELCA Youth Gathering in 2018.

Little Cedar and Marshall Churches wish you all the best as you start a new adventure in your journey!

We hold you and your families in our prayers!

The Little Cedar Lutheran Church council met on Wednesday, May 19, 2021, at 7:30 p.m. Present: John Jax, Pastor Jeremy Johnson, Lynn Johnson, Vicki Kiefer, Carol Matheis, Spencer Medgaarden, Chris Roser, Connie Sathre, Tracy Smith, Jan Weness, Millie Weness. Absent: Nancy Thalberg.

The meeting was called to order by co-chair, John Jax. The Mission Statement was read in unison. Devotions were given by Chris Roser.

Secretary's Report: Motion by Carol, seconded by Spencer to accept the April minutes as corrected. Carried.

Treasurer's Report: Millie reviewed the report. Motion by Jan, seconded by Tracy to approve the treasurer's report as printed. Carried.

Committee Reports:

Building: A new toilet is needed in the south women's restroom. Schmitz Electric will take care of the installation.

Daycare: The Daycare has been getting COVID grants for the last several months. This helps the daycare work with parents who may not be working because of COVID, etc. There is full staffing for the summer months, but the daycare is advertising for an assistant beginning in the fall. New carpet will be purchased for the playroom and the payment will be made from a grant from Freeborn-Mower Electric Coop and daycare funds.

Worship and Music: Lynn Johnson volunteered to help with planning worship and music. She will also help with keeping the pianos and organ tuned on a regular basis.

Pastor's Report: Pastor is meeting once a month with intern Marcia Pederson. The internship and mentorship are going well. Pastor is happy to be able to do worship services at the Health Care Center again.

Outstanding Business:

COVID and Precautions: A majority vote was taken and the following changes are made to COVID rules for the church and building: No masks will be required at worship or in the building unless personal choice, the Fellowship Hall is open for gatherings with no requirements, service groups will not be active for serving events until further notice. This policy will be reevaluated regularly depending on State guidelines. Social distancing is still recommended if possible.

New Business:

Water Meter: Tracy reported that he has had discussion with city worker, Craig Hegge. He recommended we install a back pressure valve on the boiler and install a new water meter in a more convenient place. We also have to have a couple pipes evaluated for asbestos. Motion by Tracy, seconded by Carol that we get a back pressure valve on the boiler, have a couple small pipes by current water meter tested for asbestos, and have new water meter installed. Carried.

Stove and Oven: Tracy did research on industrial ranges as the ovens in our current range don't work and don't seem to be repairable. Motion by Jan, seconded by Vicki, the we purchase a Southbend six burner stove at the price of \$1656 base price. Carried.

The next meeting is Wednesday, June 16, at 7:30 p.m. Millie will give devotions. The meeting was adjourned and closed with the Lord's Prayer.
