Matthew 2:1-2,9-12

After Jesus was born in Bethlehem in Judea, during the time of King Herod, Magi from the east came to Jerusalem ² and asked, "Where is the one who has been born king of the Jews? We saw his star when it rose and have come to worship him."

⁹ After they had heard the king, they went on their way, and the star they had seen when it rose went ahead of them until it stopped over the place where the child was. ¹⁰ When they saw the star, they were overjoyed. ¹¹ On coming to the house, they saw the child with his mother Mary, and they bowed down and worshiped him. Then they opened their treasures and presented him with gifts of gold, frankincense and myrrh. ¹² And having been warned in a dream not to go back to Herod, they returned to their country by another route.

Happy New Year Little Cedar and Marshall Lutheran Churches!

Well, let's hope that 2021 will be a better year! In spite of all of this, we have tried to make the best of a bad situation. I hope and pray that you have found some joy and blessings in 2020! With another year also comes Epiphany, which is always on January 6th. We have the 12 days of Christmas, and then Epiphany. Among other things, we commemorate the arrival of the magi in Bethlehem.

So we have these magi, or wise men, or three kings. Whatever you want to call them. They bring gold, frankincense, and myrrh. (How do you spell those...? Good thing I have spellcheck.) These were gifts that were fit for a king. The three gifts had a spiritual meaning: gold as a symbol of kingship on earth, frankincense (an incense) as a symbol of deity, and myrrh (an embalming oil) as a symbol of death.

We laugh and chuckle at the ridicules gifts that the magi bring. Couldn't they find some more practical gifts...? But this was no ordinary child. This is the promised child. This is the messiah. This is the savior of the world. This is Emmanuel, God is with us!

Peace and blessings! Pr. Jeremy

Finally, the last month of 2020! In the curriculum, we learned about Tyler the Triangle, 9 and 10, color red, letters J and K -made koala bear puppets and jingle bell necklaces. We loved playing with homemade gingerbread play doh. Smelt so yummy! Our community helpers were police officers. We made high fives and gave them to the Austin Police Department. The excitement was great from the children when they found out where the papers were going. We learned about Egypt and camels in the "around the globe" portion, acted out the nativity with the children and had a pizza party and sugar decorating at our Christmas party. Parents took home homemade, wooden snowboys/girls the size of their child (ren) for their Christmas gift. They turned out perfectly with the help from Adams Builder Supply who cut and delivered the wood chunks. We are hoping to stay happy and healthy throughout the next year. Bring on 2021!!!

"Because he works from home. That's why we never see God in person."

Make time less precious. We are way too efficient, making use of every hour, every minute. When you were a kid, didn't you just spend hours poking sticks in the mud, climbing trees and sitting in them, looking at shells and seaweed that washed up on the shoreline? Time was not precious then, we weren't trying to stuff an accomplishment into every minute every day, we had time for thoughts and feelings. That was good!
