New COVID Information from Pastor Jeremy please read~

Alright people, bad news, good news. Bad news, you won't be able to worship in-person. Good news, you will be able to worship in your pajamas once again. With Covid cases on the rise in our community, Little Cedar and Marshall will be switching back to virtual worship services for the time being. Please spread the word, so that everyone knows.

If we have learned anything this year, we have learned that we need to roll with the punches. We are church. And once again, nothing will stop us from worshipping. As in the past, tune in at 10:00 Sunday morning for worship on Facebook or YouTube. Hope you can join us. It will continue to be available all week long. As in the past, we will also look for help from the congregation to put this together. We will continue to remain a community in Christ, loving God and loving neighbor! Peace, blessings, and many prayers that all may remain healthy!
