

Hi Everyone!

We pray that this message finds you well and that your family is safe and healthy. The State of MN has asked for non-essential work to minimize hours of operation as a part of continued safer at home. Upon that request, our staff will work from home when possible, but will also spend time in the office as needed. During this time, we will continue to make our cell phone numbers available so that folks can get a hold of us for any needs. If there are any questions or concerns, let us know. Thanks' and blessings everyone! *Pr. Jeremy*

Giving and Generosity During COVID-19

To help do our part for our communities, it has become necessary to cancel in-person worship services at this time. With this, we also anticipate some financial challenges within the church. Although we will work to reduce some expenses, we also know that some bills need to be paid no matter what.

With all that being said, some simple instructions for how to continue giving to the church.

Members of Little Cedar Lutheran Church

1. Offering can be mailed to the church office and we will be passed along to the financial secretary.

We Extend our Care to the Nursing Home and Cedar Court Apartments

- At this time the Adams Health Care Center and Cedar Court Apartments are closed to visitors, except for the rare occasion of an essential care giver.
- You've got mail! The USPS is a great way to stay in contact with those in the nursing home, the address at the nursing home is below. Please address in care of recipient. You can send mail to specific individuals or could even send mail that could simply be used to cheer up a resident in need. If you have some Random Act of Kindness mail you'd like to send to the nursing home, please address in care of Chandra Gilles and she will get it to someone that could use some cheering up!
Adams Health Care Center
810 W Main
Adams, MN 55909
- The phone number for the Nursing Home is 507-582-3263 to talk to your loved one. Facetime visits are an option, phone calls, and visiting through a window. Many families have gotten creative at entertaining loved ones in their window visits. Please call and staff are happy to help make any of those options happen.
