Mark 16:1-7

When the Sabbath was over, Mary Magdalene, Mary the mother of James, and Salome bought spices so that they might go to anoint Jesus' body. ² Very early on the first day of the week, just after sunrise, they were on their way to the tomb ³ and they asked each other, "Who will roll the stone away from the entrance of the tomb?"

⁴ But when they looked up, they saw that the stone, which was very large, had been rolled away. ⁵ As they entered the tomb, they saw a young man dressed in a white robe sitting on the right side, and they were alarmed.

⁶ "Don't be alarmed," he said. "You are looking for Jesus the Nazarene, who was crucified. He has risen! He is not here. See the place where they laid him. ⁷ But go, tell his disciples and Peter, 'He is going ahead of you into Galilee. There you will see him, just as he told you.'"

GREETINGS MARSHALL AND LITTLE CEDAR LUTHERAN CHURCHES,

The followers of Jesus must have been crushed. The one who they thought was their savior had been crucified. As far as they were concerned, it was over. Everything that they thought to be true was wrong. At this time, they still didn't seem to realize that Jesus needed to die on a cross, so that he could conquer death.

I went to the freezer the other day. I knew there were some ice cream sandwiches in there. After a long day, it sounded delightful. There the box was in the freezer. I grabbed the box....and I opened it up....and reached inside....and it was empty. There is always someone in the family that will leave an empty box in the freezer, or fridge, or cabinet. I'm sure I've even done it once or twice.

Typically, there is nothing good about finding something empty. It is without a doubt disappointing, except for at least one thing. On Easter morning we find an empty tomb. That indeed is good news! The tomb represents death. An empty tomb represents life!

Blessings!

Pastor Jeremy

Another month has flown by! We had so many birthday celebrations!! We had 3 daycare friends and of course had to recognize Dr. Seuss on his birthday. We ate green eggs and made Cat in the Hat headbands. We learned about frog life cycles and turtles and how they use their shells as protection like a shield. The kids compared a turtle to Captain America because of that! Since we learned about the letters R, S and T, we made rhinos, and sandcastles and tractors. Dinah the Diamond was our shape for March and 15 and 16 were our numbers, green was our color. Along with the birthdays, we celebrated St. Patrick's Day. We made a trap, but didn't have any luck with catching one. We made cookies, leprechaun puppets and read books. We also talked about doctors and how they help us even if they give us ouches, such as shots. They keep us healthy and safe. We enjoyed a few nice spring days, hoping it warms up again and we are done with the winter weather!
